

Welcome Metro High School Families!

Last year our PTO subscribed to MySchoolAnywhere (now Membership Toolkit) for current family and faculty directories, volunteer sign-ups and e-mail communications.

If you registered for MySchoolAnywhere last year, your family data was transferred over to Membership Toolkit, but you will need to complete a few steps.

1. Go to <https://metrohighschool.membershiptoolkit.com/home>
2. Click on the Register/Login button and register to create a user account.
3. Verify your new account through your e-mail.
4. Check your family data by going to My Account > Family Information to ensure your contact information is correct.
5. If you downloaded the MSA app on your phone, delete the app and follow the steps below to install the Membership Toolkit app.

If you did not register last year, please go to the site below and follow the steps to register your family. Prompts will guide you. It's quick, easy and gives you access to classmates, teachers and designated family contact information. Each grade will 'graduate' at the end of the school year.

Register at <https://metrohighschool.membershiptoolkit.com/home>

After you register, you will need to create a new account and complete the e-mail verification process. Then when you go to My Account > Family Information, you should be able to see your family information.

Install the free app! After you receive your login information, download the app by searching for Membership Toolkit in the iTunes App Store or Google Play. The app allows you to access our directory, manage your family information and eventually signup for volunteer activities all from your phone!
