Issue 3

Principal's Corner

Thank you, Ladies of the Assistance League organization! The Assistance League graced our Meramec Elementary students on September 14, 2017 along with their partner "Carnival Shoes" donated 100 pairs of shoes to the Meramec Elementary students.

On behalf of Meramec students and staff we appreciate all that you serve for our community. Our students have "Steps To Success" by the Assistance League on their feet.
