<p>“Work hard but don’t forget to rest sometimes”</p> <p><a href="#">Click here</a> to watch Kobe Bryant discuss sleep, mindfulness, and meditation.</p> <p>Can you complete Mamba’s challenge and add 30 minutes of sleep to your routine? This can be done a few different ways- go to bed earlier, get up later, take a nap, etc. When you are able to make this routine change, think about what you did (or didn’t do), and see if you can add that daily change on a more regular basis.</p> <p>On days when you can find those minutes, document it here:</p> <table border="1" style="width: 100%; border-collapse: collapse; margin-top: 10px;"> <thead> <tr> <th style="width: 25%;">Day</th> <th style="width: 25%;">Extra 30?</th> <th style="width: 50%;">Routine change? What are some ways you can help yourself succeed?</p> <p>After you talk, write down three “I will _____.” statements to remind yourself how you will succeed during the rest of Semester 2. Post your statements somewhere you can see them every day.</p> <p>Completed this activity at the beginning of the semester, too? Go back and edit your original statements!</p>	<p>25 minutes of work, 5 minutes of break...Pomodoro your brain!
