Listening

[Click here](#) to join Miss Penny and KidVision on a field trip to learn about soap-making!

 What do Miss Penny and the kids do on the field trip? First, they conduct an experiment using soap's basic ingredients: water, oil, and lye. Next, they explore fragrances by smelling essential oils and the plants they come from. Then, they make fragrant and colorful soap. Finally, they wash their hands and practice good handwashing techniques.

Listening
