[Click here](#) to read "Harry the Dirty Dog", written by Gene Zion. Harry is a white dog with black spots who loves everything, except baths. So, one day before bath time, Harry runs away. What happens next?

 What was your favorite part of the story? Harry was a smart and sneaky dog! He disliked baths, so he devised a plan to escape. Harry hid the scrubby brush used to clean him and buried the car keys so his family couldn't find them. He was clever, playful, and a bit naughty!

[Click here](#) to watch an episode of StoryBots titled "Why Do People Look Different?" Explore the diversity of human appearances and learn why people look different. After watching the episode, draw a picture of yourself and share with a grown-up what makes you unique.

 People look different due to their DNA, which serves as a genetic blueprint for building a person. DNA is present in nearly every cell of the body. The genes within DNA determine various physical traits, such as hair and eye color.."
