[Click here](#) to watch a video demonstrating how crayons are made. Observe the manufacturing process, and note any questions you may have about it. Explore what other items, besides crayons, are produced at the factory. Finally, share what you enjoy doing with crayons.

 I observed that the factory produces crayons, markers, and paints. I am curious about the number of crayon boxes the factory makes daily. I enjoy drawing pictures of my family and my cat with my crayons.

[Click here](#) to listen to the Opposite Song and draw a picture featuring opposites. Share your drawing with a family member or friend and explain the concept of opposites to them.

 Opposite words have meanings that are contrary to each other. I drew a picture featuring opposites, such as a tall tree and a short tree, a small bird and a big bird, as well as a happy face and a sad face.
