

Bryan Hill Elementary School Accountability Plan

2024-2025

The Accountability Plan Template embodies requirements set by the Missouri Department of Elementary and Secondary Education (DESE) relative to Schoolwide Planning and the completion of the Consolidated Application and Comprehensive School Improvement Plan. It also supports the continuous improvement of all St. Louis Public Schools.

We are committed to a Continuous Improvement System based on the Theory of Action: Improved student learning for every student in every school, with the primary goal of having all Missouri students graduate ready for success. This improvement guidance document has as its foundation the following five pillars of the **SLPS Transformation 4.0 Plan**, which support the Continuous Improvement Theory of Action:

Pillar 1: The District creates a system of excellent schools

Pillar 2: The District advances fairness and equity across its system

Pillar 3: The District cultivates teachers and leaders who foster effective and culturally responsive learning environments

Pillar 4: All students learn to read and succeed

Pillar 5: Community partnerships and resources support the District's **Transformation 4.0 Plan**

Districts, charters and/or schools should engage in timely and meaningful discussions, with a broad range of stakeholders, to examine relevant data to understand the most pressing needs of students, schools and/or educators and the potential root causes for each need. By inviting all stakeholders to participate in the needs assessment

process you are establishing a unified understanding of the LEA and/or school(s), identifying goals that reflect the vision of the entire learning community and promoting buy-in for improvement efforts. The following chart identifies stakeholders who may participate in the needs assessment process.

STAR Reading	UNK	19.2%	20.1%	20.8%	100% Proficiency	We have shown slight growth in ELA, but not enough to close the significant achievement gap. Putting a new focus on UFLI phonics instruction should help solidify foundational skills and increase scores in all grade level.
STAR Math	UNK	UNK	16,2%	16.9%	100% Proficiency	Although scores are increasing, we are still not achieving at a rate to show acceptable gains. A new focus on fluency using multiple platforms including Reflex and Focused Math Intervention is in place to improve on this.
DRDP (PreK)	8%	29%	62%	90%		With kindergarten readiness being a district focus for ECE, we have seen growth in the number of students kindergarten ready. This has been done by using a more structured learning environment with various learning centers used throughout the school day.

24-25 School Parent and Family Engagement Policy

In addition to the LEA's Parent and Family Engagement Policy (PI230), each Title I.A school must jointly develop with parents of participating children a written Parent and Family Engagement Policy. The school policy shall be distributed to parents and made available to the local community. The school policy must be reviewed annually and updated as needed to meet the changing needs of parents, families and the school. Parents shall be notified of the policies in an understandable and uniform format. To the extent practicable, the policy shall be provided in a language the parents can understand. If the school has a Parent and Family Engagement Policy, that policy may be amended to meet the federal policy requirements.

Program Evaluation Results

How does your school seek and obtain the agreement of parents to the parent and family engagement policy?

Bryan Hill provides every parent with a School/Parent/Student Compact stating the partnership for parents, students and classroom teacher responsibilities and expectations for the school year. All parties, including the school principal, sign the compact. This is provided in the Title meeting, via email and a paper copy
What are the strengths of family and community engagement?
We believe our parents are very interested and connected with what is happening at school for their child. They are connected with teachers and support activities at the school.
What are the weaknesses of family and community engagement?
One of the weaknesses of family and community engagement is low parent participation in education functions or activities. Our parents are involved, but they cannot always physically be on our campus. We are unsure how to provide training to parents to support their students at home to increase reading and math skills.
What are the needs identified pertaining to family and community engagement?
We need flexibility for funding our family functions to increase our participation in school and community activities.
Policy Involvement
How are parents involved in the planning, review, and improvement of the Schoolwide plan?
Every parent is encouraged to attend the monthly meetings where we plan, review and make improvements to our school plan. These meetings are offered in person and on zoom.
How are parents involved in the planning, review, and improvement of the school parent and family engagement policy?
Every parent is encouraged to attend monthly meetings where we plan, review and make improvements to our parent and family engagement plan. These meetings are offered in person and on zoom.
How is timely information about the Title I.A program provided to parents and families?
Information regarding Title I is disseminated at the beginning of the school year in the annual information meeting and reiterated throughout the year with Parent Right to Know information. It is also reviewed in the spring during the Title I planning meeting. The information is also mass emailed so all families have access if they are unable to attend.
What are the methods and plans to provide an explanation of curriculum, assessments and MAP achievement levels to parents and families?
We invite all parents to attend our monthly Title I meetings where we provide information on curriculum, assessments and MAP achievements. Family nights also provide parents the opportunity to learn about curriculum and instruction. Our parent teacher conferences also provide an opportunity for teachers to explain the curriculum and assessments to parents.

24-25 Shared Responsibility for Student Achievement-School Parent Compact

Purpose: The school-parent compact outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the state's high standards.

What are the ways in which all parents will be responsible for supporting their children's learning?

SLPS Parents will support of academic achievement includes but may not be limited to the following.

- Make sure my child is in school every day possible and on time;
- Check that homework is completed including reading for 30 minutes per night;
- Monitor and limit screen time;
- Volunteer in my child's classroom/school when possible;
- Be aware of my child's extra-curricular time and activities;
- Stay informed about my child's education by reading all communications from the school and responding appropriately;
- Keep school informed and up-to-date with contact information (phone numbers, email, etc.); and
- Notify school of all absences as they occur.

Describe the school's responsibility to provide high quality curriculum and instruction in a supportive and effective learning environment.

Our School Staff will provide high quality curriculum and instruction in a supportive and effective learning environment by doing the following:

- We will provide high-quality instruction and materials to our students.
- We will plan and participate in high-quality professional development which incorporates the latest research.
- We will maintain a safe and positive school climate.

We will hold annual parent-teacher conferences in the fall and spring to:

- Discuss the child's progress/grades during the first quarter (Fall Conference)
- Discuss this compact as it relates to the child's achievement

- Examine the child’s achievement and any pending options at the end of the third quarter (Spring Conference)

Provide parents with frequent reports on their child’s progress as follows:

- Frequent communication from the teacher;
- Mid quarter progress reports and quarterly grade reports; and
- MAP and STAR test scores shared on progress reports, report cards, and at parent/teacher conferences.

Be accessible to parents and offer them opportunities to provide input through:

- Email, phone calls or person-to-person meetings;
- Scheduled consultation before, during, or after school and
- Scheduled school or home visits, as necessary.

Provide Parents Opportunities to volunteer and participate in their child’s class and to observe classroom activities as follows:

- Listen to children read;
- Have an opportunity to become a room parent;
- Present a program on their culture, a different country, a special skill or career, etc.;
- Assist with programs or parties, educational trips,

Please provide assurance that the school is:

- ✓ Conducting parent-teacher conferences at least annually, during which the compact shall be discussed
- ✓ Issuing frequent reports to parents on their children’s progress
- ✓ Providing reasonable access to staff, opportunities to volunteer, and observation of classroom activities
- ✓ Ensuring regular two-way, meaningful communication between family members and school staff and, in a language that family members understand.

School Capacity for Involvement

How does the school provide assistance to parents in understanding the following items?

- Missouri Learning Standards
- Missouri Assessment Program
- Local Assessments
- How to monitor a child's progress
- How to work with educators to improve the achievement of their children

Bryan Hill families are informed and assisted at Title I meetings, parent teacher conferences, and special events in the following areas:

- Missouri Learning Standards
- Missouri Assessment Program
- Local Assessments
- How to monitor a child's progress
- How to work with educators to improve the achievement of their child.
- Helping parents understand growth and development of children in multiple stages
- Social emotional learning
- Also engaging families with Math, Literacy, Reading and STEAM nights

How does your school provide materials and trainings to help parents work with their children to improve achievement?

In addition to parent meetings, online tools and resources will be provided to give parents support and training. Parents are also encouraged to meet teachers during their planning time if they need additional support. Introduce parents to current technology so that they are equipped to perform and understand what the students are experiencing, proving them with college and career readiness skills. PreK parents are also invited to the SLPS "Parent University" sessions in which they are provided training on how to extend learning for their students at home.

How does your school educate school personnel (*teachers, specialized instructional support personnel, principals, and other school leaders, and other staff*) in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners?

SLPS has scheduled Professional Development days, which are designed to assist all teachers, specialized instructional support personnel, principals, school leaders, and support staff, with training to promote all areas of successful relationship building with students, parents and families. The district also offers off-site training and professional development opportunities. Bryan Hill School also has two monthly scheduled school-wide meetings to address many concerns educationally and professionally.

How does your school implement and coordinate parent programs, and build ties between parents and the school?
Parents are given a survey at the beginning of the year to weigh their opinion on programs from the previous year. Also, programs that were highly attended are scheduled for families to attend. Parents are also given opportunities to volunteer for events, while receiving timely notification about the events. This assists in building relationships between parents, school and community.
Describe plans to coordinate and integrate, to the extent feasible and appropriate, parental involvement programs and activities with other programs, such as parent resource centers that encourage and support parents in more fully participation in the education of their children.
Bryan Hill will send surveys to assess parent needs. Literacy Night, Math night, STEAM night, Title 1 Night, and any others will cater to the needs of families. In addition, the FCS and teachers will also reach out to parents in need of specialized support, so they can provide specialized support.
Accessibility Assurance
In carrying out the parent and family engagement requirements, the school, to the extent practicable, provides opportunities for the informed participation of parents and families including: <ul style="list-style-type: none"> ✓ Parents and family members who have limited English proficiency ✓ Parents and family members with disabilities ✓ Parents and family members of migratory children ✓ Provides information and school reports in a format and language parents understand

Summary Statements

Summary of the Strengths
<p>Strengths</p> <ul style="list-style-type: none"> • Parents and families generally have a positive relationship with school staff • Student Support Team and Attendance Team meet weekly to address academic, behavior, and attendance concerns • Monthly parent meetings/events are held to promote a positive home-school connection • Principal sends monthly newsletters to stakeholders • Part-time Trauma Informed Specialist was added to staff to aid students with extreme emotional needs • Two Urban League Mentors have been added to the staff to provide additional support to parents and families • Parents and families have been receptive to the changes made in the school and have been supportive with getting students to school • Overall community perception of the school is strong

Summary of the Weaknesses

- Parent meeting attendance is low considering the size of the school population
- There are few parents who consistently advocate and support school improvement efforts
- Parents and families need additional support with understanding the academic expectations and rigor at each grade level
- Majority of the staff is non-certificated, underexperienced, and lack proper training in instructional strategies.

Summary of the Needs

- Additional materials to support parents with understanding academics for students
- Providing new ways for parents to engage with the school community that enhance understanding of the academic program
-

Summary of Focus Priorities for 24-25

Prioritized areas of Need for 24-25 based on needs assessment/data analysis

Outline your 3 priority areas of focus/programmatic shifts you will make to ensure success during the 24-25 school year.

- 1.** Leadership: Leadership must increase teaching capacity to positively affect student outcomes.
- 2.** Reading- Increase the number of students reading on grade level and demonstrating grade level proficiency on the MAP assessment in ELA.
- 3.** Mathematics- Increase the number of students demonstrating mastery of math standards and grade level proficiency on the MAP assessment in mathematics.

SMART (Specific, Measurable, Achievable, Relevant and Timely) Goal #1: Leadership
 Create an overarching SMART goal that reflects your Leadership Development Plan. Please ensure that your goal reflects an emphasis on equitable practices for all students and staff.

GOAL 1: SENSE OF BELONGING

By May 2025, School Leadership will demonstrate a minimum of 30% growth year-over-year (from Spring 2024 to Spring 2025) on Panorama Survey Data responses by students and school-based staff in the category of ‘Sense of Belonging’, as evidenced by Spring 2025 Panorama Survey Results.

Leadership Plan

Based on your needs assessment and evaluation, what are two areas of growth to increase the sense of belonging at your school? The areas you choose should be intentional and be the key levers that allow you to drive toward achieving your Sense of Belonging goal. *Please identify two areas of focus that most align with this goal.*

Priorities:

1. Building staff community through book study of “Belonging Through a Culture of Dignity: The Keys to Successful Equity Implementation” by Cobb and Krownapple.
2. Building School Community through Scheduled Morning Meetings

Evidence-based strategies

- SLPS Positive Behavior Interventions and Supports (PBIS) Protocols
- Site-based Professional Development through book study.
- ReThink ED social/emotional curriculum implementation

SMART (Specific, Measurable, Achievable, Relevant and Timely) Goal #2: Reading

GOAL 2: READING

By May 2025,

- 100% of students scoring below proficiency in reading at the start of the year will score proficient at the end of the year, as evidenced by the STAR Reading assessment.
- 100% of students scoring proficient in reading at the start of the year will score advanced at the end of the year, as evidenced by the STAR Reading assessment.
- 100% of students scoring advanced in reading at the start of the year will increase their scaled scores by a minimum of 50 points at the end of the year, as evidenced by the STAR Reading assessment.
- 100% of students will increase their beginning of year STAR Reading Grade Equivalent score by 2.5 by the end of the year.

Reading Plan

Based on your needs assessment and Reading data, what are your two reading priorities? The areas you choose should be intentional and be the key levers that allow you to drive toward achieving your Reading SMART Goal. *Please identify two areas of focus that most align with this goal.*

Priorities:

Pre-K, Elementary, and Secondary:

1. Students demonstrate mastery of the five pillars of literacy: phonemic awareness, phonics, vocabulary, comprehension, and fluency.
2. Students demonstrate mastery of academic discourse on complex texts (speaking, writing, listening, reading).

Evidence-based strategies

- SLPS Instructional Vision for Academic Excellence utilizing Savvas myView (K-5) and myPerspectives (6-8)
ELA Instructional Resources:
 - Gradual Release Model with an Emphasis on Academic Conversation and Complex Texts and Tasks
 - Instructional Design Framework and ELA Lesson Plan Internalization Protocol
 - ELA Collaborative Lesson Planning Protocol (PLCs)
- UFLI supplemental Phonics Program
- LETRS Training: School Leaders, Instructional Coaches, and Teachers

Implementation Plan

Action Steps

30 Days:

Professional Development

- Leader PD - Gradual Release Model and Academic Conversations
- Leader PD - Collaboration, Consistency, and Clarity for PLCs w/Solutions Tree
- Staff PD – Grade Level and Content PD utilizing ELA instructional resources / Gradual Release Model and Academic Conversations PD

- Leader PD - ELA Lesson Planning and High-Quality Instructional Design / Plan for Staff PD / Determine ELA PLC Cohorts
- Staff PD - ELA Lesson Planning and High-Quality Instructional Design/ Plan for Implementation

Observation and Feedback

- Conduct classroom walkthroughs to gather baseline data on current instructional practices related to gradual release, specifically looking for guided practice and student-led discussions around complex texts.
- Provide initial feedback focused on identifying strengths and areas for growth.
- Set up a schedule for phonics instruction observations and provide feedback on implementation

Implementation/Monitoring

- Establish PLCs dedicated to ELA collaborative lesson planning
- Provide a structured agenda that includes the Lesson Plan Internalization Protocol
- Schedule regular PLC meetings and set expectations for collaborative planning using the protocol
- Observation data will reflect initial efforts in implementing the Gradual Release Model and incorporating academic conversations into lessons
- Lesson plans will begin to show alignment with the Instructional Design Framework and Internalization Protocols
- Participation and engagement in PLCs will be tracked, with evidence of collaborative lesson planning using the ELA protocols

Monitoring Student Progress

- STAR Reading BOY Assessment
- Administer Star Reading beginning of year Assessment
- Administer beginning of year assessment
- Review and analyze baseline assessment data to identify trends and student needs.
- Establish initial data tracking tool for Star Reading
- Conduct goal setting conferences with students

60 Days:

Professional Development

- Leader PD - ELA Collaborative Planning Protocols (PLCs) / Plan for Staff PD and PLC Implementation
- Staff PD - ELA Collaborative Planning Protocols (PLCs) / Plan for Implementation
- Leader and Staff PD – Begin LETRS training
- Conduct follow-up professional development to address common challenges and deepen understanding of the Instructional Design Framework and Lesson Plan Internalization Protocols.

- Use PLCs to collaboratively refine lesson plans, focusing on integrating complex texts and tasks that align with ELA standards.

Observation and Feedback

- Conduct targeted observations to assess the implementation of the Gradual Release Model, specifically looking for guided practice and student led discussions around complex texts 3rd and 4th grade specifically.
- Provide feedback and coaching based on observations, with a focus on increasing the quality of academic conversations in the classroom. ▪
Continue to observe phonics instruction and provide feedback, focusing on the fidelity of Foundations program implementation.

Implementation/Monitoring

- Monitor the effectiveness of PLCs through attendance, engagement, and the quality of collaborative planning.
- Provide additional support or adjustments to the PLC process as needed to enhance teacher collaboration and lesson plan quality.
- Implementation of weekly curriculum writing prompts and supplemental resources (i.e. Lakeshore).
- Implement high-quality, flexible small grouping structures within classroom to support students with mastering grade level standards.\
- Participate in multi-tiered systems of support (MTSS) pilot to support implementation of the Science of Reading including completing the Reading Tiered Fidelity Inventory.
- Observational data will show increased use of the Gradual Release Model with effective academic conversations and student engagement with complex texts.
- Lesson plans will consistently reflect the Instructional Design Framework, with evidence of internalization during PLC meetings. ▪
Feedback from PLCs will demonstrate improvements in lesson planning and collaboration.

Monitoring Student Progress

- Analyze student work samples and assessment data to evaluate mastery of complex texts and tasks.
- Review phonics progress monitoring data to ensure students are making expected gains with the UFLI program.

Use progress monitoring data to identify students who may need additional support and adjust phonics.

Goal #3- Check the appropriate Transformation 4.0 pillar this goal falls under:				
<input type="checkbox"/> Pillar 1: The District creates a system of excellent schools	<input type="checkbox"/> Pillar 2: The District advances fairness and equity across its system	<input type="checkbox"/> Pillar 3: The District cultivates teachers and leaders who foster effective, culturally responsive learning environments	<input checked="" type="checkbox"/> Pillar 4: All students learn to read and succeed	<input type="checkbox"/> Pillar 5: Community partnerships and resources support the District's Transformation 4.0 Plan
SMART (Specific, Measurable, Achievable, Relevant and Timely) Goal #3: Mathematics				
<p>GOAL 3: MATH By May 2025,</p> <ul style="list-style-type: none"> - 100% of students scoring below proficiency in math at the start of the year will score proficient at the end of the year, as evidenced by the STAR Math assessment. - 100% of students scoring proficient in math at the start of the year will score advanced at the end of the year, as evidenced by the STAR Math assessment. - 100% of students scoring advanced in math at the start of the year will increase their scaled scores by a minimum of 50 points at the end of the year, as evidenced by the STAR Math assessment. 				
Mathematics Plan:				
Based on your needs assessment and Mathematics data, what are your two mathematics priorities? The areas you choose should be intentional and be the key levers that allow you to drive toward achieving your Mathematics SMART Goal. <i>Please identify two areas of focus that most align with this goal.</i>				
Priorities:				
<ol style="list-style-type: none"> 1. Students demonstrate mastery of the Five Components of Math: Strategic Competence, Procedural Fluency, Conceptual Understanding, Adaptive Reasoning, Productive Disposition. 2. Students demonstrate mastery of the Strands of Math: Number Sense; Geometry and Measurement; Data, Statistics and Probability; and Algebraic Operations.
