## 24-25 School Parent and Family Engagement Policy

*In addition to the LEA's Parent and Family Engagement Policy (PI230), each Title I.A school must jointly develop with parents of participating children a written Parent and Family Engagement Policy. The school policy shall be distributed to parents and made available to the local community. The school policy must be reviewed annually and updated as needed to meet the changing needs of parents, families and the school. Parents shall be notified of the policies in an understandable and uniform format. To the extent practicable, the policy shall be provided in a language the parents can understand. If the school has a Parent and Family Engagement Policy, that policy may be amended to meet the federal policy requirements.*

### Program Evaluation Results

How does your school seek and obtain the agreement of parents to the parent and family engagement policy?

Herzog Elementary provides all parents with a School-Parent Compact that states the responsibilities of the parents, school and student for the current year. The document must be signed by the principal and the parent. We provide families with a paper copy that is attached to the family handbook. We also email copy to our families that prefer electronic documents.

What are the strengths of family and community engagement?

<p>Herzog offers opportunities for parents to engage during the school day, which has positively impacted parent participation. Families facing transportation challenges or those with flexible work hours can join parent-teacher conferences, celebrations, events, and meetings virtually. We plan to continue utilizing virtual options more frequently to accommodate our families' needs.</p>
<p>What are the weaknesses of family and community engagement?</p>
<p>Even though we have increased our family participation, we still struggle with engagement. We typically have the same families participate in our events. Various hardships such as challenges with transportation still contribute to the lack of engagement.</p>
<p>What are the needs identified pertaining to family and community engagement?</p>
<p>Herzog families recommend more communication on events that occur at the school including upcoming assessments. Herzog families also face various hardships that affect not only the academic achievement of the students, but their overall condition. Our families are transient and face financial hardships. They could benefit from financial resources, housing assistance, and job training.</p>
<p style="text-align: center;"><b>Policy Involvement</b></p>
<p>How are parents involved in the planning, review, and improvement of the Schoolwide plan?</p>
<p>Parents are actively involved in the planning, review, and improvement of the Schoolwide plan through their participation in the Bi-Annual Title 1 meetings, where they can discuss the plan and share any concerns or suggestions. Additionally, they are invited to the Review and Revision planning meetings, where they contribute to updating the School Parent Compact, addressing the strengths and weaknesses of the Title 1 parental involvement program, and focusing on improving academic achievement.</p>
<p>How are parents involved in the planning, review, and improvement of the school parent and family engagement policy?</p>
<p>Parents are invited to participate in the spring review and revision meeting, where they have the opportunity to review the school's parent and family engagement policy. During this meeting, parents can provide feedback and make recommendations to help improve the policy, ensuring it better meets the needs of our families and supports stronger engagement.</p>
<p>How is timely information about the Title I.A program provided to parents and families?</p>
<p>Timely information about the Title I.A program is communicated to parents and families through multiple channels:</p> <ul style="list-style-type: none"> <li>- Event Bulletin Board</li> <li>- Flyers: Emailed to all families, sent home with each student, posted at all school entrances, and available on the school website.</li> <li>- School Messenger: Notifications sent via Class Dojo, email, and posted on the school website.</li> <li>- Face-to-Face: Personal invitations from staff for upcoming family engagement events.</li> </ul> <p>These methods ensure that parents receive important updates and have multiple ways to stay informed.</p>
<p>What are the methods and plans to provide an explanation of curriculum, assessments and MAP achievement levels to parents and families?</p>

Parents and families are provided with explanations of curriculum, assessments, and MAP achievement levels through a variety of methods:

- Bi-Annual Title I meetings
- Parent-Teacher conferences
- Leadership meetings and events hosted by the Principal and Academic Instructional Coach
- Scheduled meetings with classroom teachers or the leadership team to discuss curriculum, assessments, and MAP achievement levels
- Data displayed on the hallway data wall for ongoing visibility
- Curriculum nights and culminating awards day ceremonies, where parents can learn more about student progress

These strategies ensure parents are well-informed and involved in their child's academic progress.

### **Summary of the Strengths**

Our strengths include:

- Strong coordination between parental involvement programs and other initiatives, such as parent resource centers, enhancing parental engagement in children's education
- Strategic alignment of resources to create a cohesive support system for parents, maximizing effectiveness and avoiding duplication of efforts
- Availability of various tools and opportunities for parents to actively participate in their children's educational journey
- Integration of parental involvement programs with existing resources, fostering better communication and collaboration among stakeholders

### **Summary of the Weaknesses**

Weakness Relative to the School Context and Organization:

- Utilization of ILAs as classroom teachers, potentially affecting instructional quality.
- Time-management challenges due to ELA block requirements and resource usage, impacting preparedness for grade-level writing.
- Loss of the reading specialist position leading to a restructuring of small group instruction, potentially affecting student support.

**Summary of the Needs**

Herzog Elementary made significant gains in establishing a strong school culture and repairing stakeholder relationships. These structures included arrival and departure, morning meetings, positive affirmations, and positive interactions among stakeholders including our students. These targeted areas have helped reduce interruptions in the overall learning. We have increased our knowledge in the area of social emotional learning practices, restorative strategies, and growth mindsets. We will continue to analyze and revise our systems to have a greater impact on our school culture. We still need continued support and training in the areas of strong school cultures.

Herzog Elementary must focus on improving academic achievement. We made academic gains; However, many of our families were very transient this school year and struggles with consistent attendance. We also had several vacancies, which influenced our academic achievement. We plan to hire for those vacancies and continue to provide coaching and training on reviewing student learning towards mastery and plan re-teaches as needed. We will need to lean heavily on our Academic Coach for modeling and co-teaching to help improve teacher capacity. For Herzog to continue to improve academic outcomes, we will continue to use our Set-Up for Success model as a guide for student intervention.

**SMART (Specific, Measurable, Achievable, Relevant and Timely) Goal #1: Leadership**  
 Create an overarching SMART goal that reflects your Leadership Development Plan. Please ensure that your goal reflects an emphasis on equitable practices for all students and staff.

**GOAL 1: SENSE OF BELONGING**

By May 2025, School Leadership will demonstrate a minimum of 30% growth year-over-year (from Spring 2024 to Spring 2025) on Panorama Survey Data responses by students and school-based staff in the category of ‘Sense of Belonging’, as evidenced by Spring 2025 Panorama Survey Results.

**Leadership Plan**

Based on your needs assessment and evaluation, what are two areas of growth to increase the sense of belonging at your school? The areas you choose should be intentional and be the key levers that allow you to drive toward achieving your Sense of Belonging goal. *Please identify two areas of focus that most align with this goal.*

1. Develop a schoolwide culture of high expectations through the implementation of "Tiger's Club," Herzog's Redesign prototype focused on using high-interest activities to increase student/staff voice and collaboration.
2. Leverage Tiger Clubs to foster stronger relationships and a sense of community by providing opportunities for students and staff to engage in shared interests and build positive connections outside of traditional classroom settings
