# Phase 1 – Reimagining SLPS: Building on Our Foundation

In Phase 1, we laid critical groundwork by:

- **Sharing the Vision:** Articulating our aspirations for the future of SLPS and the success of every student.
- **Understanding Our Context:** Presenting vital data on student demographics, enrollment trends, and other key factors shaping our district's landscape.
- **Addressing Transportation:** Providing an overview of current transportation considerations and their impact.

# Phase 2 – Shaping the Future Together

Building upon the data and information shared in Phase 1, we will now focus on:

- **Exploring Diverse Pathways:** Delving deeper into potential educational programs and their possibilities.
- **Optimizing Resource Utilization:** Examining how we can best leverage all our resources to support student success.
- **Considering Efficient Feeder Patterns:** Discussing how students progress through our school system.

# Today's Interactive Session – Your Voice matters

- 1. Station 1 - Envisioning Diverse Options & School Focus:** Connecting program ideas to potential facility locations.
- 2. Station 2 - Optimizing Our Resources: Making Hard Choices About Buildings:** Directly addressing facility utilization and potential repurposing or consolidation.
- 3. Connecting Our Communities & Efficient Feeder Patterns:** Considering how building locations support effective student transitions.
