Dear Parents and Guardians,

With your children, please read and discuss the course outline for IB World Lit I (which can be found on the left side of my teacher page at [www.slps.org/echambers](http://www.slps.org/echambers)), then sign and return this half sheet. All assignments and most course material can be found on MS Teams. Feel free to contact me at Metro (314) 534.3894 or [elizabeth.chambers@slps.org](mailto:elizabeth.chambers@slps.org) if you have any questions now or as the school year progresses. I look forward to working with you and your children this year.

Thank you,  
Elizabeth Chambers

**I have read the course outline and I understand that I am responsible for following the requirements and policies. I also understand that I should contact Mrs. Chambers for assistance if I have any problems with requirements, assignments, class design, or academic integrity.**
