

ST. LOUIS
**MEDICATION
DISPOSAL**

Protecting our Future

St. Louis Medication Disposal Initiative

Help protect your family, the community, and the environment by properly removing unused and expired medications from your home.

Doing so can prevent drug poisoning, decrease drug abuse and overdoses, and keep our environment healthy and safe. Turn in your unused and expired medicines for safe disposal.

Here's what you should bring:

Expired and unused prescriptions
and over-the-counter medicines
Unknown tablets and capsules

SATURDAY, APRIL 27

10 a.m. - 2 p.m.

Walgreens Locations

4218 Lindell, St. Louis, MO 63108
3822 S. Kingshighway, St. Louis, MO 63109
1530 Lafayette, St. Louis, MO 63104
3720 N. Kingshighway, St. Louis, MO 63115

- Each day, 2,700 teenagers abuse a prescription drug for the first time. Keep medicines away from curious teens and children.
- Flushing medicines down your toilet can harm the drinking water and the environment. Please do not flush your old medicines.
- Expiration dates on medicine labels will help you know if your medicine is still safe to take. Do not take any medicines that are expired.
- Keeping and using old medicines could lead to serious problems or harmful side effects.
