

Exit the Tigers, Enter the Lynx!

Our new logo! Work like a Lynx, Live like a Lynx!

At the end of our last school year (April 2024), our Assistant Principal spoke with our staff about our mascot--at the time the Tiger. As Long continues to grow and thrive in culture, literacy, and STEM, we want to continue to stand out! After months of discussion and research, the school mascot of the Lynx emerged. As a Long Lynx, we will use the characteristics of the Lynx to continue to **strive towards academic excellence, be diligent workers, focused on the task(s) at hand, and use our strengths of observation and confidence to meet and exceed our goals.**

Within in the first 2 weeks of school, our Lynx students will receive 1 Lynx polo shirt, 1 Lynx sweatshirt, and 1 Lynx water bottle. **These items will be no charge as we work to celebrate our rebrand!** Items lost or misplaced will need to be reordered at a cost; additional items can be purchased, as well. We will keep our Core Values as ROARR and will meet with the Lynx students to rewrite our core values to reflect what it means to be a **LYNX.**

LIMS Spotlight

School Renovations

This summer, construction crews worked around the clock to beautify the school. Here are a few highlights:

- New Water Bottle Water Fountains
- Renovated Bathrooms (Lower Level & Gymnasium)
- New Carpet in the Library
- New Tile in All Classrooms
- New Interior Paint

Renovated Bathrooms

New Water Fountains

Welcome to Long

Take 5: Faces of Long

Ms. Wysinger, 8th Grade Math

Our new 8th Grade Math teacher, Ms. Wysinger, has transitioned from customer service to student support by bringing care and love of numbers to Long. Ubuntu, Ms. Wysinger!

Cultural Background:

African American

Experience/Educational Background:

Member of the first graduating class of Carnahan School of Future. I have over 10 years of customer service experience.

Why do you "BeLong at Long"?

I'm the change I want to see in the children, so I'm here to be part of the solution

Fun Fact:

I love to travel and try different food

When I was in middle school,

I fell in love with math

Ms. Sutton, 8th Grade Science

Ms. Sutton brings relativity, an understanding of the impact people and your environment, and a big, brighter, and better perception to her role as our new 8th grade Science teacher. Ubuntu, Ms. Sutton!

Cultural Background:

African American. STL born and raised!

Experience/Educational Background:

SLPS student and graduate of Vashon High School. Attended St. Louis Community College.

Why do you "BeLong at Long"?

Long reminds me of the middle school I attended. Some of my favorite teachers were my middle school teachers those of which helped me to become who I am today.

Fun Fact:

I am an athlete! I played every sport growing up. I also coach.

When I was in middle school,

I was a teacher's pet. I loved helping the teachers out and learned that being a "perfect" student was more rewarding and beneficial than seeking negative attention.
