

Mission and Vision

Board of Education of the City of St. Louis

Adopted Feb. 9, 2021

MISSION: The Board of Education of the City of St. Louis will govern to ensure students are fully prepared to be competent and valuable contributors to a global society by ensuring students are provided with innovative and high-quality public education.

VISION: The Board of Education of the City of St. Louis will govern boldly to ensure students in the District meet and exceed local, state, and federal standard achievement levels. We will advocate for collaboration with community, organizations, political leaders, and businesses in our region to provide students with innovative and high-quality educational experiences.
