Before and After School Programs

Saint Louis Public Schools (SLPS) offers before and after care at all locations.

Our program extends learning beyond the school day, providing a structured environment for educational enrichment, recreation, and social interaction. We aim to support working families, enhance academic performance, build life skills, and promote overall well-being.

Before & After Care

- All Elementary Schools will have both before and after care programming; the number of slots for each school site was based upon previously offered programming. All new sites were provided with a minimum of 15 slots.
- Programs are a combination of SLPS funded, 21st Century Grant funded, partner sponsored, and paid programming.
- Families are responsible for transporting their students to and from before and after care programming.
- Online registration survey opened on August 6, 2024.
- Programming will launch on the first day of school and last until the last day of school.

Before & After Care

- SLPS managed before care programming begins 1 hour and 15 minutes before the start of the school day. All students are released from before care in time to eat breakfast before the start of the school day.
- SLPS managed after care programming will end at 6:00pm each day and include both a snack and a meal for participating students.
- Elementary schools are only on Tier 2 or Tier 3 bell times.

By the Numbers - Slots

School Year	Available Before Care Slots	Completed Family Surveys as of 8/9/24	Available After Care Slots	Completed Family Surveys as of 8/9/24
2023-2024	1159		2643	
2024-2025	1694	632	3061	809
Increased Capacity	535		418	

- Families complete the before and after care registration survey in their SIS parent portal.
- School site supervisors then contact families individually to confirm their assignment either into the program or to the waitlist.
- The survey remains open all year so that SLPS can be flexible in re-assigning spaces across schools as needs shift from school to school.
