# RESTART PLAN UPDATE

August 11, 2020

# TOP 10 GUIDING PRINCIPLES

*Principles guiding overall district planning to restart school, while recognizing that each school building has its own needs and facility*

**1.** Ensure **safety** for all: physical and emotional health and wellness.

**2.** Prioritize student **wellbeing** and **cultural responsiveness**.

**3.** Ensure **equity** and access in planning and resources to reach every student.

**4.** Honor **parents' choices**, circumstances and concerns.

**5.** Recognize **changing societal realities**, including pandemic flattening or spikes, racial injustice, the November election climate, and other external forces that impact the community.

**6.** Respect that **routine** and predictable home-school **communication**, relationship, and identity is critical.

**7.** Meet students where they are by addressing **individual** academic needs.

**8.** Frame curriculum, planning, and teaching for more in-depth learning, authentic engagement, and academic foundations through **blended learning models** for learning in school and at home.

**9.** **Empower professionals** to guide effective learning and planning.

**10.** Reconsider, as necessary, **policy** and regulations.

# VIRTUAL LEARNING

# INSTRUCTION AND TECHNOLOGY PLANS

## VIRTUAL PROGRAMMING

### Technology Equity

- 1:1 for PreK (4s) – 12<sup>th</sup> grade
- Distribution at school sites between **8/24 – 9/4**
- Hot spots (with data limits) for any family in need

**INSTRUCTIONAL SUPPORT CENTERS**

# VIRTUAL LEARNING at ISCs

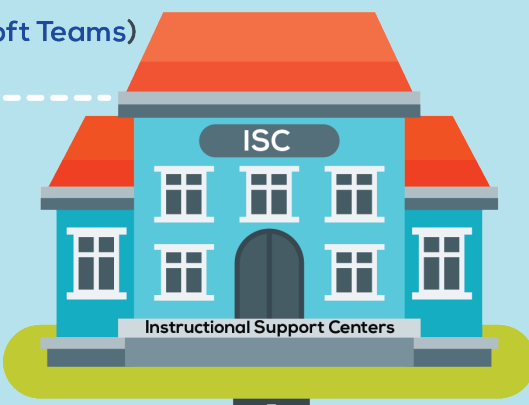

All virtual instruction (Microsoft Teams)  
by SLPS teachers

# 20

Targeted Instructional Support  
Centers (school sites) for students  
PK-8

# 150

Max number of  
students per school

# 10

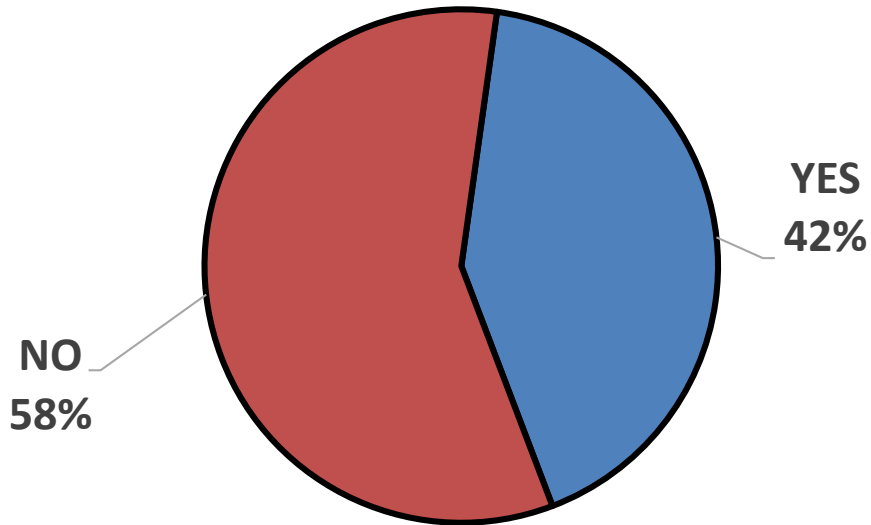

Students in  
each class.

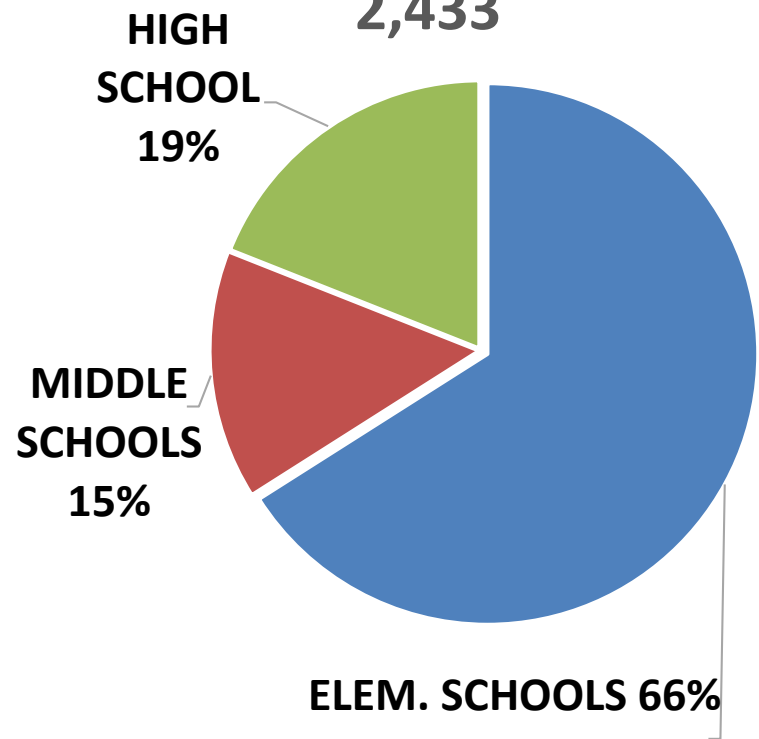

# INSTRUCTIONAL SUPPORT CENTERS

# HEALTH AND WELLNESS

*To protect the health of students, these are the “must dos”*

## **OVERVIEW OF STUDENT HEALTH GUIDELINES**

- ❑ Students grades K and above are required to wear face coverings in school.
- ❑ Students, regardless of age, must wear face coverings on the bus.
- ❑ Students and staff will engage in a daily health screening upon arrival.
- ❑ Students immunizations must be up to date to attend.
- ❑ Parents will be instructed to keep their child at home if they are ill.
- ❑ Students will remain together in the same groups as much as possible throughout the day.
- ❑ Elementary and middle school students may have breakfast and lunch in the classroom.
- ❑ Visitors will be limited in the school building and will be required to wear masks.
- ❑ Students picking up or dropping or dropping off students will be asked to stay outside the building in a designated area.

# FACILITIES/SCHOOL OPERATIONS

*Adhere to Saint Louis City DOH Guidance, SLPS Recommendations to help schools to plan for a safe reopening*

- Equip classrooms and common areas with hand sanitizing and disinfectant supplies
- Handwashing stations in schools as needed
- Routinely disinfect high-touch point areas (i.e. doorknobs, rails, light switches)
- Use electrostatic sprayers, foggers, and sponge applicators for fast and wide-spread disinfecting
- Facilities team will coordinate, schedule and deep clean any classroom, office or common area suspected of contamination
