I certainly hope you are enjoying your summer! If you have some time to share, we would like to meet you for breakfast and a lively discussion. On the heels of a very successful collaboration during the past legislative session, the Board of Education's Legislative and Advocacy Committee would like to meet to review 2022 successes, continuing challenges, top priorities and discuss the District's priorities for the next school year..

We thank each of you for your past support. We value your reflections, feedback and visions for the future. Last year's platform can be reviewed by [clicking here](#).

Light breakfast will be served.

Please RSVP to [Shameika Henry](#), Executive Assistant to the Board of Education, or call 314-345-2410. If you have anything you would like to formally add to the discussion list, please let Ms. Henry know.

Sincerely,

Matt Davis  
President, Board of Education of the City of St. Louis
