

2022-2023 RESTART SCHOOL PLAN

Dr. Kelvin R. Adams, Ph.D.
Superintendent
August 9, 2022

DISTRICT/SCHOOL GUIDELINES

CITY OF ST. LOUIS SCHOOLS OPERATION GUIDELINES FOR REENTRY TO SCHOOLS

- School district submitted and received approval of an infectious disease plan
- School plans submitted and approved
- Establish a process by which each school keeps and maintains accurate records of anyone who has been inside a building
- Comply with the Missouri Revised Statute Section 167.181 and 19 CSR 19c-20-28 which govern immunization of students
- Minimize contact and social mixing during school hours
- Establish an isolation area within each school, which will be used to remove the ill person from the school's general population
- Equip classrooms and communal areas with hand sanitizing supplies and disinfectant
- Routinely disinfect high-touch-point areas, such as doorknobs, rails, and light switches
- Use additional measures, such as electrostatic sprayers, foggers, and sponge applicators, for on-the-spot disinfecting
- Facilities will coordinate, schedule and deep clean any classroom, office, or common space suspected of contamination. The area will be closed until proper cleaning procedures are complete.
- Recommend masking indoors if medium or high-level transmission

STAFF GUIDELINES

- Staff members should assist the cleaning effort by cleaning and disinfecting communal areas, including eating spaces, conference room tables, and chairs, after use
- In accordance with the guidelines of the St. Louis City Health Department and the CDC, if you test positive for COVID-19 you may return to an SLPS site on day six (6) if you have been fever free for 72 hours and a mask required up to day 10
- Adhere to Board Policy and current protocol

STUDENT GUIDELINES

- Comply with the Missouri Revised Statute Section 167.181 and 19 CSR 19c-20-28 which govern immunization of students
- In accordance with the guidelines of the St. Louis City Health Department and the CDC, if you test positive for COVID-19 you may return to an SLPS site on day six (6) if you have been fever free for 72 hours and then a mask will be required up to day 10.

VISTORS AND PARENT GUIDELINES

- Parents are instructed to keep their child at home if they are ill
