

Board of Education of the City of St. Louis
CAREER OPPORTUNITY

Position Title:	ABA Implementer (Autism)
Payroll/Personnel Type:	10 Month
Job #:	0110
Reports to:	Area Based SPED Autism Coordinator (Autism)
Shift Length:	8 Hours a Day
Union Eligibility:	Not Eligible

Position Summary:

The SPED ABA Implementer will implement and supervise Applied Behavior Analysis (ABA) programming for students with Autism Spectrum Disorders (ASD) and other related developmental disabilities, including discrete trial and positive behavior development.

Essential Functions:

- Implement the delivery of ABA services to students with Autism Spectrum Disorder and other related disabilities including discrete trial and positive behavior development
- Supervise and monitor ICAs and other staff who assist in the delivery of ABA therapy
- Ensure proper implementation of behavior principles and the integrity of the data collected during ABA therapy sessions
- Ensure that individual student programs are updated regularly based upon analysis of data taken
- Prepare or secure instructional and reinforcing materials needed to provide ABA
- Demonstrate knowledge of the IEP process and legalities, as well as established evidence-based practices in schools for students with ASD
- Consult with the IEP team on services required by each student with ASD
- Assist in developing and providing initial and ongoing training in basic behavioral principles and methodologies of applied behavior analysis to designated staff
- Conduct assessments for programming, including ABLLS, VB-MAPP, AFLS, Functional Behavior Assessments and student observations to determine ABA programming, aligned with the students IEP
- Collaborate with the IEP team to complete preference and reinforce assessments; functional behavior assessments; and to develop behavior intervention plans as needed
- Provide ABA services along a continuum of least restrictive environment while programming for the generalization of acquired skills
- Complete written progress reports of students receiving ABA services
- Attend and demonstrate competency in all district wide autism related trainings
- Participate in IEP meetings and reevaluations of assigned students
- Provide behavioral consultative support to teachers, classroom staff and parents as necessary
- Maintain annual Mandt certification while acting in accordance with its philosophy and practices
- Perform other related duties as assigned by the Area Based ABA Coordinator and Autism Process Coordinator

Knowledge, Skills, and Abilities:

- Current working knowledge of ASD and evidence based educational practices
- Must have the ability to train staff in program implementation
- Must be familiar with the Reauthorization of IDEA and how it relates to students with Autism Spectrum Disorder
- Excellent communication skills, both written and verbal
- Excellent organizational and interpersonal skills
