

WELCOME Tiger Families

Our Principal speaks....LET THE 24-25 SCHOOL YEAR BEGIN!!!

I am Tonya Marrocco, Your Shenandoah Principal! I am beyond excited to begin our 3rd year together! While our School tagline will remain, "BETTER TOGETHER!", WE do have a new theme. This year we will be working together to MOVE OUR BUS! Our BUS is on the path to academic greatness and growth, Social and Emotional greatness and growth, and Community Involvement greatness and growth. Throughout this year, you will hear a lot of conversation about Being a BUS MOVER!

As instruction is paramount, I will be in classrooms as much as possible this year. This means I may not be readily available to meet with you without an appointment. Please be sure to call me when you need to meet so I can honor you and our students and staff. 314-532-4661 (cell) or 314-772-7544 (office)

Greetings Tiger Families....

Welcome to the 2024-25 school year. My name is Constance Myers and I am your Family Support Specialist. I serve in collaboration with the Office of Family and Community Engagement.

As we kick off the beginning of a successful school year, thank you for partnering with Shenandoah on the successful educational journey of our students and giving us the opportunity to be a safe and secure environment for your child(ren) educational journey. I am excited and looking forward to seeing our returning and new families on August 19th. I am reassured that the 2024-2025 school year will be full of 'better potential engagement' amongst ALL.

WE ARE BETTER TOGETHER!!

From the Desk of the Secretary.....

Hello Tiger Parents/Guardians/Caregivers,

We are excited to receive all our students come August 19th. Just some important information for the upcoming school year 2024-2025. School registration is being done online this year. This is for all new and returning students. You will simply log onto SLPS website and click on register now in the bottom left corner. For returning students, parents you will use your current email address on file. For new families you will create an account. If you are enrolling siblings of current students, log in with current email and add to your already existing family. If you have any questions or concerns, please contact Ms. Horton in the office.

Our bell times have changed. 8:20am-3:17pm. If you arrive to drop your child off after 8:15am, you will need to bring your child around to the front entrance, inside to the main office and sign them in. I will not except any late arrivals after 9:30am unless with a doctor's note. If you need to do an early dismissal, please do so by 2:15pm. You will come to front main entrance and sign your child out at our security's desk and wait for your child there. Parents will not be allowed to walk through the building to any classrooms.

If your child's transportation for home time needs to change for any reason, please contact the main office by 1:30pm to let our secretary know so that she can give instructions to the proper dismissal staff and your student.

Melonie Horton

Shenny's Tiger Talk

WELCOME Tiger Families

Welcome to Nurse News,

My name is Nurse Cruesoe your new nurse for Shenandoah. I am excited to meet all students and their parents this upcoming school year. My goal is to implement a healthy school year for our students. Important information that will be needed to complete your child's health file are as follows. A completed application stating their diagnosis/allergies. If the student requires daily medication to be administered at school. That medication will need to be given directly to the nurse by the parent/guardian. Students may not bring medications to school in their backpack. The medication must be sent with a Drs order and action plan if applicable. A form must be signed stating you as the parent/guardian give permission for the medication to be administered at school. Medication must have a pharmacy label attached. Other documents to complete the health file are an updated shot record and physical. Any further questions feel free to call the school or email me.

Let's get ready to ROAR!!!!

Sincerely,
Nurse Cruesoe

Parent University

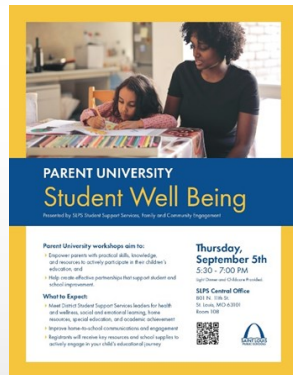

GREAT OPPORTUNITY

We welcome you to take advantage of this great opportunity to be empowered by becoming better partners with our district and schools on the successful educational journey of our students.
