

BEHAVIOR PLAN

Our class, as well as the school, will use Class Dojo; the interactive system to monitor behavior. ClassDojo is a website, www.classdojo.com, and is also in the App Store under the name ClassDojo. Please read below to find out what Class Dojo is and how it will be used in your child's kindergarten classroom this year.

How will Class Dojo be used in my child's classroom?

Prior to the first day of school, each child will be assigned a Dojo monster avatar. Parents/guardians will receive a login code which will allow you to register for your child's Dojo account. Please connect as soon as possible!

Throughout the school day, students will receive points and parents will be able to track your student's progress following (or yikes-not following) our classroom rules. We will use the website in class to track positive points for when the rules are being followed and negative points for when they are not. The positive and negative points are totaled instantly on the website which you will see, or even hear, at times in class throughout the day. As you earn points your total will increase, and if you lose any, your total will decrease.

What will my child do with their points?

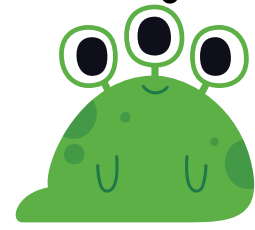

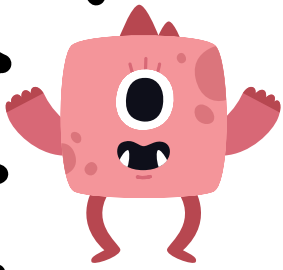

On our scheduled Fridays, your child will be able to go shopping in our school Eagle's Nest using their Class Dojo points. Each item in the shop is assigned a point value. The more Dojo points they have the more they can buy.

Classroom Expectations:

1. Treat others as you would like to be treated.
2. Be kind, respectful, and responsible.
3. Follow directions the first time they are given.
4. Listen attentively to the speaker, and raise your hand.
5. Use classroom materials appropriately and put them back where they belong.
6. Work hard and try your best!
