Upcoming Events for Seniors

Mock Interviews

Seniors are well on their way to preparing for their internships and capstones in the spring. They have completed their resumes and statements of interests, so the next step in the process is mock interviews. Mock interviews are a great way for students to practice their interview skills and get feedback from industry leaders. Seniors will participate in mock interviews this week. Use the resources posted in Teams to prepare. Some things to consider during the interviews are:

- Dress professionally
- Maintain eye contact
- Speak clearly and confidently
- Smile!

College Application Process

What's the plan after high school? Is it attending a college or technical school? Visit the Admissions webpages of colleges and universities for more

information about their application deadlines. Ms. Nickolai is available to review applications and essays before hitting the "Submit" button. Don't forget to sign up to visit with college representatives when they are at Collegiate or schedule an on-campus visit to see the college in in-person. Some of the schools scheduled for visits are: Eastern Illinois, Yale, Tulane, Southern Illinois, MIT, and Tulsa. See Ms. Nickolai for the full list.

2023-2024 FAFSA is open now!

The first step to applying for financial aid for college and technical schools is completing the online Free Application for Federal Student Aid (FAFSA). Institutions use this to determine how much financial aid students are eligible to receive. Use [this checklist](#) to get started. Completing the FAFSA by December 1st is strongly encouraged. Again, Ms. Nickolai is available to answer any questions.

Hispanic Heritage Month

National Hispanic Heritage Month celebrates the histories, cultures and contributions of American citizens whose ancestors came from Spain, Mexico, the Caribbean and Central and South America. The observation started under President Lyndon Johnson in 1968 as Hispanic Heritage Week. It was expanded by President Ronald Reagan in 1988 to cover a 30-day period, September 15 to October 15. This year's theme is "UNIDOS: Inclusivity for a

stronger nation". To learn more about the contributions of Hispanic and Latin Americans, check out these websites:
