OUR HISTORY CONTINUES....WHAT A YEAR!

I THINK EVERY ONE OF US MAY LOOK BACK ON THIS PAST SCHOOL YEAR WITH JUSTIFIABLE PRIDE, FOR IT HAS BEEN A YEAR OF ACCOMPLISHMENTS. WHETHER IT WAS OUR GREENHOUSE DEDICATION OR OUR AWARD-WINNING ACADEMIC TEAMS OR OUR AWARD- WINNING ORATORS OR OUR AWARD-WINNING SPELLER OR OUR AWARD- WINNING SCIENCE PROJECTS OR OUR AWARD-WINNING ART PROJECTS OR OUR AWARD-WINNING TEAM PROJECTS OR FANTASTIC EXHIBITS OR OUTSTANDING STUDENT COUNCIL OR OUR AWARD-WINNING BAND, THIS HAS BEEN A YEAR OF ACCOMPLISHMENT AND HONOR FOR YOU, OUR AWARD- WINNING STUDENTS.

NOW, IT HAS ALL BUT COME TO AN END, AND IN A FEW MONTHS, THE SUMMER WILL BE UPON US. SOME OF YOU WILL BE LEAVING THIS SCHOOL TO ENTER A DIFFERENT EDUCATIONAL AREA - THE WORLD OF SECONDARY EDUCATION AND SOME OF YOU WILL BE LEAVING TO REST AND RENEW YOURSELVES IN ORDER TO RETURN NEXT YEAR. ALL OF YOU TAKE WITH YOU THE MEMORIES AND FRIENDSHIPS YOU HAVE MADE THIS YEAR AS WELL AS THE VERY BEST WISHES OF YOUR TEACHERS, YOUR COUNSELORS AND ADMINISTRATORS FOR A RESTFUL AND ENJOYABLE SUMMER.

IT HAS BEEN MY PLEASURE TO WORK WITH ALL OF YOU. I TAKE WITH ME THE MEMORIES OF THE MOST PRODUCTIVE AND INSPIRING STUDENTS AND STAFF THAT ANY PRINCIPAL WOULD CHERISH.

HAVE A GREAT SUMMER! SEE YOU IN SEPTEMBER!

The Cutting Edge 

**Gateway Middle School
The Second Year**

"Preparing Students for the Future, Today"

A gateway is an opening for a gate, portal, access etc. Gateway has indeed lived up to its name. Gateway has, in only two years proven that it is just that: an access for students moving from the 20th century into the 21st century. Gateway Middle school continues to provide a quality education for today's youth. A dedicated staff provides quality experiences to challenge all students to reach their potential. The activities are not confined to the school day. They extend to the afternoon and Saturdays. Although the school is ' a Center for Math, Science and Technology', Gateways' students have proven to the community that they excel in all academic areas and the arts. Students from Gateway won acclaim in Writing contests, Art Contests, Physical Education, as well as Science and Math.
