EXPECT...

Dear Parents,

We would like to take this opportunity to welcome you and your child to fifth grade! We hope to work very closely with you this year to ensure the success of your child.

Homework

Your child will have homework Monday through Thursday evenings and it should be submitted through our Teams page by the due date. At the beginning of each week, please look at the assignments listed for classwork and homework. Finally, every night we ask that your child reads for 20 minutes and practices their basic math facts for 20 minutes.

Academics

We will be covering every subject each day. The students will also meet with the art, music, or gym teacher each day. Log-in to Teams each morning between 8:00-8:10am.

Attendance

Attendance will be recorded. In order to be considered present, each student must type their name into the chat box for each subject/channel.

Expectations for Students

Attached is a list of specific expectations that your child must abide by in fifth grade. Please review these expectations with your child and respond in Class Dojo that you have received this letter. Our district discipline policy will ensure that all of our students will have an equal chance to learn in an orderly virtual classroom.

- Inappropriate behavior will not be tolerated.

We are looking forward to a successful school year. Please feel free to contact us with any questions or concerns. The phone number to the school is (314)385-2522 and our emails can be found below.

Sincerely,

Timberly Walton
