

CONSENT TO SHARE ADDITIONAL STUDENT DATA

The City of St. Louis Treasurer's ("Treasurer's Office") College Kids Children's Savings Account (CSA) Program is designed to provide all children enrolled in St. Louis Public Schools and St. Louis City charter schools with a savings account for postsecondary education, which can include a four-year college, community college, trade school, or other qualifying institution.

The program includes:

- Initial \$50 deposit into your child's account. We've taken an important step on the journey to your child's college savings and hope that you'll join us!
- College Kids will match up to \$100 for the first \$100 you save in your student's account this year, making your contributions grow even more quickly.

Additional opportunities for more savings contributions include:

- Earning up to an additional \$50 by completing financial education courses as the parent or guardian on behalf of your child, to be deposited directly into your child's account.
- Participating in our weekly perfect attendance program, earning an additional \$1 per week your child is in perfect attendance. **You must sign and return this consent form in order to be eligible to participate in this incentive.**

PROGRAM PARTICIPATION

There are no steps that you need to take in order to have a college savings account for your child if s/he is a kindergartner at a St. Louis Public School or St. Louis City charter school for the 2015-2016 school year. However, in order to participate in the **\$1 weekly attendance program**, we need your permission to access your student's attendance records from your child's school.

The Treasurer's Office and College Kids CSA Program will keep your information confidential and use this data to manage your account efficiently and determine additional monetary incentives to be added to your child's College Kids account.

Please sign and date this consent form and give it to your child's kindergarten teacher or mail to: City of St. Louis Treasurer's Office, Attn: Office of Financial Empowerment College Kids Program, 1200 Market Street Room 220, St. Louis, MO 63103.

Consent Agreement

In order to qualify for the \$1 weekly attendance program, I give my consent for the St. Louis Public School District (SLPS) or St. Louis Charter School to share my child or guardian's school attendance information and Missouri Student Identification System (MOSIS) number with the Treasurer's Office and its financial and administrative partners (including but not limited to 1st Financial Federal Credit Union and VistaShare) for the sole purpose of College Kids program management and participation, and to provide additional monetary awards to my child in his/her College Kids savings account. I understand the Treasurer's Office will treat school attendance information as confidential in conformity with the all federal, state, and local laws, including but not limited to the Family Educational Rights and Privacy Act, will not be release any information to any parties not explicitly set forth in this agreement, and that any school attendance information will be used for the sole purposes of administering the College Kids program.. I understand that participation in the College Kids program is voluntary.

I am the parent or legal guardian of the student named below, and hereby fully release and discharge the SLPS and Charter Schools' officers, employees and agents from any and all liabilities arising out of or in connection with the above described data sharing relative to College Kids.
