Parents,

We're absolutely thrilled to announce that Wilkinson ECC is launching "Remind," which is a texting service for the school and for your child's teacher(s)! You can receive notifications from the school (such as cancellations because of weather), as well as notifications for your specific classroom teacher!

Signing up is simple, and we don't ever see your phone number or personal information. **We recommend that you join both the school's list and your teacher's list(s). Instructions for both can be found below.**

To join the school's list, text @wecc-stl to 81010, as shown below:

To join your teacher's list, send the following to 81010:
