

Virtual Learning Expectations

Just like in the classroom, we have learning expectations to follow at home. Here are a few things that can help make sure everyone is ready to learn!

Find a quiet space.

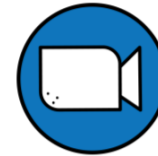

Be on time, or even a few minutes early!

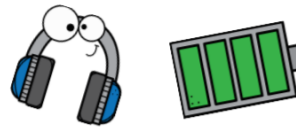

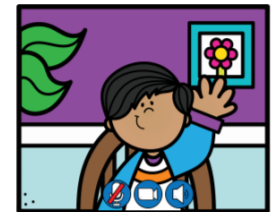

Turn your microphone off.

Make sure your camera is on.

Raise your hand when you want to talk.

Be prepared.

No toys during our class.

Please no food or drinks near your device.
