Kindergarten News

Mission: Ford Elementary will accomplish our vision by being Focused, Organized, Responsible and Determined.

Virtual Classroom

Welcome!

1. Thank you parents for your patience as we worked through tech issues the first week. I really appreciate all of the help in getting everyone connected in the same place!!!
2. Parents please complete the survey I sent out through ClassDojo! I really want to know what is working, what issues you are having, and how I can help you as we continue this virtual learning experience!

- ☺ All Live Lessons and activities will be posted in TEAMS, which is what I refer to as our Virtual Classroom
- ☺ Live sessions will be recorded and you will be able to view them later in case you have connection issues or doctor appointments and have to miss the live time
- ☺ Virtual Classroom Expectations:
Camera on, mute on unless asked a question, raise your hand if you have a question, be prepared in a quiet place, stay in your seat, no toys during class, no food or drink near your device

Curriculum Corner

Math: We are working on shapes and measuring this month.

Reading: We are working on mastering all of our letter sounds and learning sight words.

Writing: We are learning to write our first and last names in our best handwriting.

Social Studies: We are learning about rules and expectations.

Science: We are learning about matter.
